Fall 2022 Update

We hope you are all staying safe and happy as summer comes to a close. We are pleased to see more activity in the neighbourhood and throughout the city as we all see some more normalcy in our lives. This summer, we held our annual Bin Bin Event at Jasper Place Jubilee Park. It was great seeing so many friendly, familiar faces at the event. We also opened up our skating rink area as an off-leash park as a pilot project for neighbourhood dog owners to let their dogs off-leash and run in a safe and secure location. The enclosure was well attended and seemingly and deemed a success. We look forward to doing the same next year and hope to make it more accessible for everyone.

We will be holding an outdoor Movie in the Park event on Sunday, October 9 outside the Meadowlark Community Hall at 15961 92 Avenue. Event will be free to attend. We will be showing Minions: The Rise of Gru at 7:00 pm and Where The Crawdads Sing at 8:45 pm. Be sure to bring extra layers and a camp chair!

We are also looking forward to installing ice at the Meadowlark rink starting in December (or later depending on the weather). We are always happy to see people of all ages enjoying skating and playing hockey right in our neighbourhood.

Lastly, we all hope that you can take some time to relax and spend time with loved ones where possible. Have a great fall everyone!
