Winter 2023 Update

We wish everyone a happy 2023 and hope that everyone in Meadowlark Park had a restful, enjoyable and comfortable holiday season with their loved ones.

Our community rink is up and running behind the community hall. This includes the rink section and a smaller skating area for those just learning how to skate or want to take it slow. We also want to thank all the great community volunteers that helped with our casino event on December 9 and 10 last year. Casino events are critical to Edmonton's community leagues. Monies from casino fundraisers go towards community events, infrastructure improvements and access grants that require matching funds. However, without volunteers, these events can't take place. We greatly appreciate all those who volunteered to generate funds to help make our neighbourhood even better.

We are also greatly looking forward to holding our Family Day event on February 19, 2023, just outside the community hall from 4:00-7:00 pm. All are welcome to attend! We will have horse sleigh rides available, along with a food truck and firepits. Feel free to bring your skates and check out the community rink if you haven't already. Last but not least, fireworks will take place from Jasper Place Jubilee Park at 7:00 pm.

We are also holding our annual Big Bin Event on June 17, 2023. We are looking for 5-6 volunteers to help us run the event. Volunteers are essential in ensuring the event is a success. If interested, please email us for more details.
